The 'advertising' space on our parish website is now up and running. It is called 'Who What Where' - who is it, what do they do and where can I find them! The section has been added because some businesses suggested that, due to number of 'hits' the site gets each week (2000+), it could be beneficial to them. Although tullylish.com is administered on a totally voluntary basis, the parish does pay an annual fee to our hosts - catholicireland.net (catholicireland.net is also a non-profit organisation set up to help parishes set up and run their websites.) It would be great to receive 'donations' that would cover this cost so if you would like to see your business on tullylish.com, please contact calherine@tullylish.com or telephone the parish office.

Thanks to everyone, near and far for all the articles and photos sent in over the past year. Please keep them coming. We have had messages from all over the world thanking the parish for the website and how our ex-pats check in almost daily to see what is happening 'at home'. So, if a member of your family, or a friend has something to celebrate, then please let us know - a birthday, a wedding anniversary, passed an exam, a driving test, won a game or a race - we want to hear about it!

Baptisms and Weddings - it isn't always the case that the website knows about a forthcoming baptism or wedding, so if you want either on the website, please contact the parish office or calherine@tullylish.com. If we know about it, and have your permission, we will be there, if at all possible. If you have church wedding photos or baptism photos taken outside the parish, leave them in the parish office for copying or e-mail to calherine@tullylish.com. Thank You.

Swine Flu

- Parishioners are reminded of good hygiene practice, particularly with respect to the spread of germs by coughing. If anyone has flu-like symptoms they should stay at home, advise their GP and not attend Mass. The obligation to attend Sunday Mass does not apply in cases of sickness. Please take used tissues home with you for disposal.
- The sign of peace will be suspended for the duration of the health concern.
- Parishioners are urged to receive Holy Communion only in the hand in the light of the present circumstances.
- Parents are asked to show children how to receive in the hand. This will be a good time to explain why reverence for the Eucharist is important.
- Hand hygiene gel will be used by the priest before and after each Mass and by the Ministers of Holy Communion before and after the distribution of the Blessed Sacrament.

The T.L.C. Group meet every Tuesday morning the Den, Laurencetown from 10.30am-12.30pm.
