Do This in Memory of Me
 The Holy Eucharist is the most important sacrament for First Holy Communion. It is a daily prayer, grace and food for the soul. It is preparation for this very important day in the lives of our young people.
 As we do this in memory of Me we hope that the three parties of home, school and parish will work together to ensure that all are encouraged and challenged to be more actively involved in the preparation for First Holy Communion in our parish. This weekend we welcome teachers, parents, guardians and the children from St. Columba's Home Primary to Mass.

Thought For The Week: As we enter the third week of Lent, we become more and more aware of the need in our own lives for prayer. This Sunday we are invited to consider the ways in which our lifestyles might be negatively impacting on others. In a particular way, we are called to look at how our lifestyles in the developed world might be negatively impacting on the lives of our brothers and sisters in the developing world; on people like Donatille and her family.

Donatille has inherited her mother's elegance. At six, she's already learning how to balance a large jerry can full of water on her head as she walks from the well to her house. She goes with her older sister, Violante, to fetch water for the family each day. It takes her a little longer to get home as she's concentrating on her balance. Donatille is a friendly, outgoing little girl who's quick to smile. Her beautiful face graces the front of more than one million Trocaire boxes distributed throughout Ireland this Lent. It's a poignant reminder that there is an actual person behind the stark statistic that cloaks the scandal of world hunger. Donatille is one of over a billion people in the world who are hungry. She knows hunger. She just doesn't know that she's a number in a world full of hungry people.
