Hi

My Name is Warren Adams. I am the Prince's Trust Team Leader in Craigavon I was wondering if you are working with any young people that may benefit from a 12 week personal development course amid to try and increase confidence and employability skills in young people. The course will begin on the 16th September and is based out of Craigavon, Brownlow Youth and Resource Centre.

If you can think of anyone this may benefit from the ages of 16 to 25 please let me know.

Thanks

Warren Adams
