

Farewell to Dr. Robert Logan

We wish Dr. Logan well on his retirement from Gilford Health Centre this week.

Dr. Logan has been with us for 31 years and is a very valued member of our community. His pastoral care and personal interest in his patients was appreciated by everyone who was treated by him. He has laughed with us, prayed with us and cried with us. His knowledge of local history is mind-blowing and he is so generous in sharing that knowledge at various historical events.

He will be greatly missed in the surgery but we will still see him around and look forward to his involvement with our Historical Society.

We wish him many years of health and happiness.
