**If it's happening, it's on www.tullylish.com**  
Due to the popularity of our website, we have been approached by a few people who would like to advertise their particular business on it. While the website is administered on a totally voluntary basis, there is an annual fee payable to catholicireland and who keep the site 'live'. So, obviously any 'donations' that would help cover this fee would be most welcome. For any business who may wish to use this service on tullylish.com, it must be understood that the Parish of Tullylish is not in any way promoting or responsible for that particular business - it is merely providing a 'space' and a 'service'. If you want to discuss advertising, then contact [cahane@tullylish.com](mailto:cahane@tullylish.com).

**Prayer for Road Safety**  
Loving God, thank you for your most precious gift of life which no-one has the right to take away. Send your blessing on all who use the roads today, whether driving, cycling or walking, that we may be kept safe from harm. Give all road users a sense of responsibility towards others that we may at all times show care, courtesy and consideration for others. Bless also those who are called upon to deal with the aftermath of accidents, including the police, fire brigade and paramedics, that they may have the strength to cope. Be with the relatives and friends of all victims of road accidents, comfort and strengthen them to face the future. Guide me, that I may do nothing to cause harm to anyone else or myself. Keep me, and all those I love, safe in all our journeying. Amen

**Inner Strength**

- If you can start the day without caffeine.
- If you can get going without pep pills.
- If you can always be cheerful ignoring aches and pains.
- If you can resist complaining and baring people with your troubles.
- If you can eat the same food every day and be grateful for it.
- If you can understand when your loved ones are too busy to give you any time.
- If you can overlook it when those you love take it out on you when through fault of yours something goes wrong.
- If you can take criticism and blame without resentment.
- If you can ignore a friend's limited education and never correct him.
- If you can resist treating a rich friend better than a poor friend.
- If you can face the world without fear and dread.
- If you can conquer tension without medical help.
- If you can relax without alcohol.
- If you can sleep without the aid of drugs.

...Then you are probably the lucky dog!
