SUPPORTING YOUR CHURCH

The Offertory Collection takes up each Sunday at Mass is the main source of revenue for the Church. The most efficient and effective means of collecting funds is through the use of Church envelopes. Contributing financially to our parish manifests a deep sense of commitment to the works and ministry of the Church. Everyone should by now have received their new box of envelopes, so we would be very grateful if you could let us know as soon as possible if you require more or if any parish envelopes are missing records. Please fill in the form below and drop into either the collection box or to the parish office. We would like to remind all those who 'GIFT AID' their donations to the parish, to ensure that their subscriptions are up to date. Thank you.

Over the next few weeks we will be posting some old photographs on the website of people and places in Tullylish. As the photos were developed from negatives recovered from a "donated box", we have no idea who these people are, but we know some came from the Kerman area and workers around the old field in Gillford. So, if you recognize any of these people, please let us know. Also plenty of new items on the website, under NEWS, Caught on Camera, Reflections. Our music facility hasn't been set up yet, but hopefully will be running soon. We have also included a new banner for St. Peter's, a religious site which gives beautiful reflections. We are, as always, looking for news of local interest and thanks to all those who continue to keep their 'eyes and ears open'. This news is of immense interest to all our friends abroad. Over 5000 people have logged in since St. Patrick's Day! One of the new items on the main menu is GILES BOOK. This is a different from the old 'Census' item as your names will be displayed clearly as it is written, for everyone to view - of course, publication of all messages is censored! We also have new emails. For further information: claire@tullylish.com or tullylish.dromore@btinternet.com as always, thanks for your support.
