

PUBLIC MEETING

I would like to invite parishioners to a public meeting with **Agriculture Minister Michelle Gildernew**.

Laurencetown Community Centre is to be the venue for the meeting on rural issues on **Thursday 21st January at 7.30pm**.

The aim of the public meeting is to give the rural community an opportunity to hear at first hand from the Minister and to allow the Minister to hear the views of the local community and get an understanding of the issues that affect life in your rural area.

Along with my colleague I hope you can join us in Laurencetown community centre on the 21st of Jan at 7.30.

Is mise le meas

John O' Dowd MLA
